Shiprock High School Chieftain “Brotherhood” coaches, staff, and parent volunteers would like to initiate this proposed fundraiser request for the upcoming pre-season and 2017 football season. The Shiprock High School Football program had a successful 2016 campaign. Our team overcame obstacles, improved fundamentally, and earned seven wins this past fall season. This team record is the best football season our Shiprock Chieftains have accomplished since the 2012 season. Our team won the District 1-AAAA Championship, and hosted a first round playoff game. This is the first year since 2002 that the Chieftains have hosted a football playoff game. We have five Shiprock Chieftains who will represent the CCSD district, Shiprock High School, the community of Shiprock, our military veterans and our football team on June 9th, 2017, in the 3A/4A North-South football game. This game will take place at Nusunda Community Stadium, in Rio Rancho, New Mexico. This means five of the thirty players on the North All-Star roster are from Shiprock High School. We want to continue to earn the respect of our Chieftain Alumni, community, parents and supporters in the future. We have earned the respect of many football teams, and game officials in the state of New Mexico!

Twelve Chieftain student/athletes were nominated and selected by district coaches for all-district honors in 2016. Six of our Chieftain Football players earned first team all-district, three earned second team all-district, and three earned honorable mention all-district honors. Our special teams unit is just as strong.

We are excited as we continue to work diligently in the classroom, the Shiprock community, our championship BFS weight room, and on the football field. Our football program is looking to further improve in the upcoming season. We are motivated and dedicated as a team to succeed. We understand as a team what we must do to win! We will continue to win in the classroom, in the Shiprock community and on the gridiron. We will be highly competitive in class AAAA in the state of New Mexico. There are twenty one teams aligned in class AAAA in 2017-2018. We want to become the best team to beat in class AAAA. This team challenge will include sacrifice, dedication, desire and discipline to reach our goals. We will do it!

- h. Our team is family. We are extremely proud of our community, our veterans, and our SHS alumni. We are honored to represent our community, the CCSD school district, Chieftain Alumni, our military veterans, and our Shiprock families.

This fundraising activity request is tied to small business and corporate sponsorship on behalf of our football program and ALL Shiprock High athletic programs. We have reviewed the CCSD rules and regulations as they apply to our fundraising request. Small businesses and corporate businesses in San Juan County, New Mexico will be given the opportunity to financially sponsor our Chieftain Football team for the 2017 pre-season and football season. Each sponsor will be offered a choice of sponsorship to choose from and upon sponsorship acceptance, each business will receive a letter of appreciation and a photo of the 2017 SHS Chieftain Football team. Our proposed small business and corporate business choice of sponsorship is attached to this specific fundraising request.

Our fundraising will consist of any small businesses or corporate businesses interested in financially sponsoring our SHS athletic teams, and our SHS football team at Shiprock High School. The sponsorship will be utilized for supplemental athletic department needs, and developing the football team in areas of equipment care needs, replacements, off season training, and conditioning in the summer months. In addition, any small business or corporate business financial sponsorship will assist with additional needs to ensure that SHS supports and develops all of our football players during the 2017 season. The Shiprock Chieftain Brotherhood football team desires to financially assist and help ALL of our SHS athletic programs tied to this specific fundraiser request. All of our athlete's at SHS will have the opportunity to benefit from this fundraising activity.

As a collaborative effort, our Chieftain Football program desires to help all of our SHS athletic programs for the 2017-2018 school year. We desire to financially assist our SHS Chieftain athletic programs with this fundraiser. We believe that every sport on our campus is an important aspect of student success, academic excellence and post-secondary goals. We encourage our football players to participate in other SHS sports!

The Shiprock High School Football program would like to begin our fundraising for small business and corporate business financial sponsorship on May 20th, 2017, and run through June 30th, 2017. We are asking permission and approval from our CCSD School Board to initiate this fundraiser request on behalf of our Chieftain Football program, and ALL SHS athletic programs.

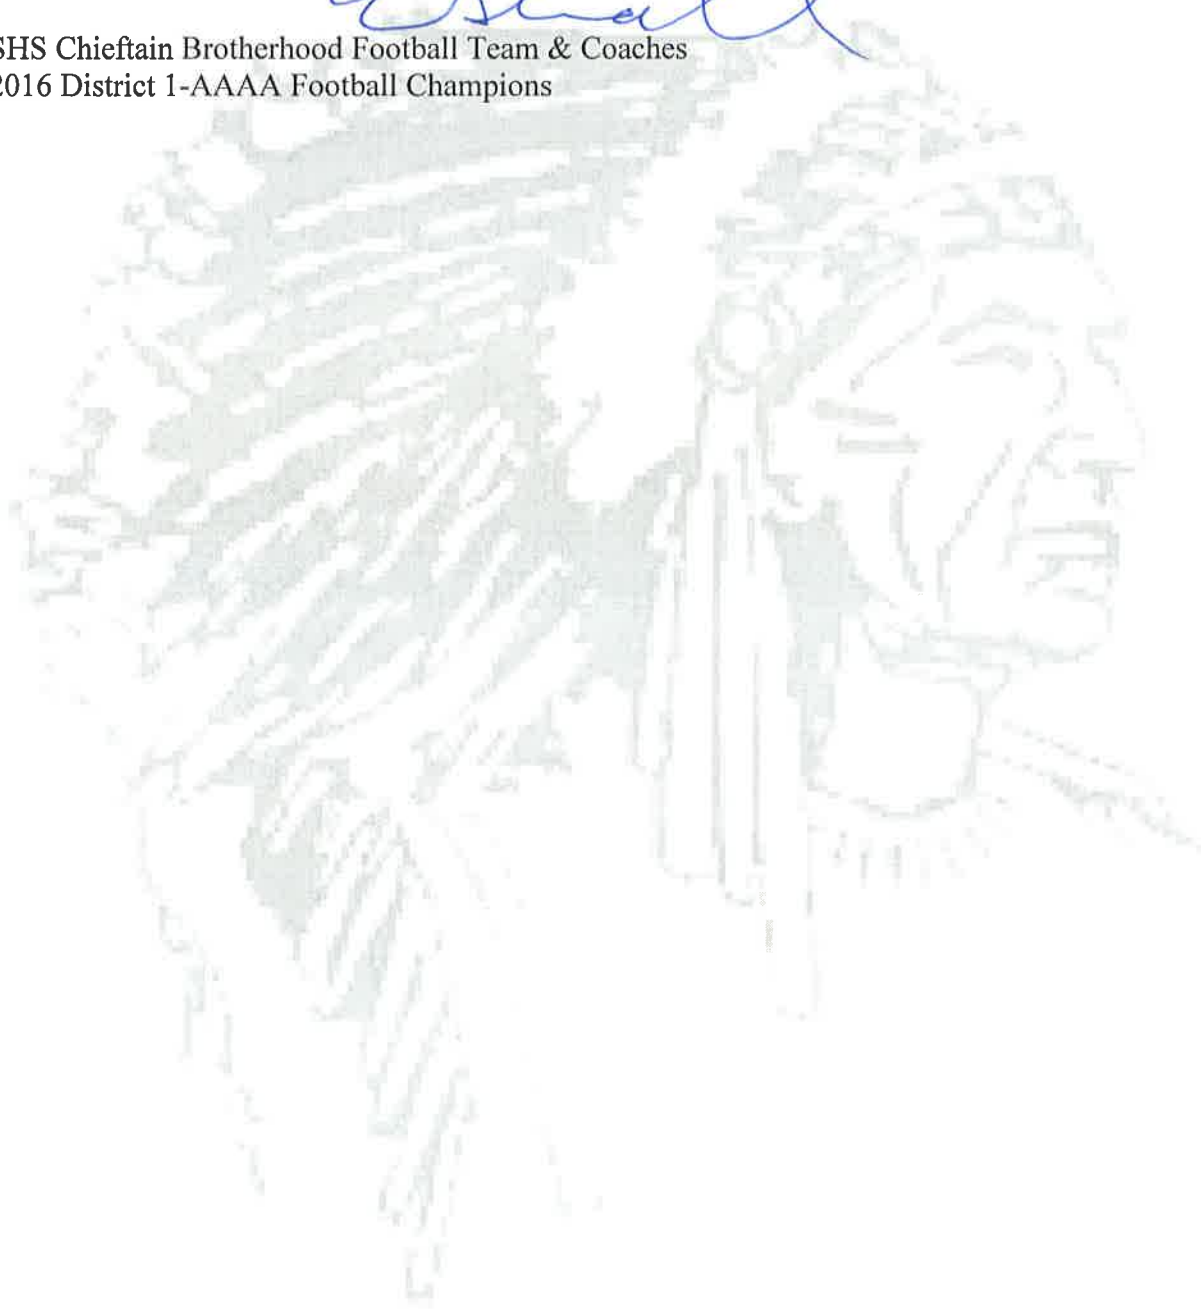

Our Chieftain Football coaches, staff, and respective parent volunteers, would be responsible for following through with our proposed fundraising request. If approved by the CCSD School Board, any and all small businesses or corporate businesses would be directed to mail financial donations directly to our school site. These financial donations would be received and maintained by our school site financial secretary, and our school site administrative team.

Thank you for consideration on behalf of Shiprock High School athletics and the Chieftain Brotherhood Football program. We look forward to another great season as our student/athletes succeed academically, socially and athletically.

Respectfully Submitted,
