Principal

I support the educational value of this trip and recommend approval by the Superintendent or Superintendent's Designee and the CCSD School Board.

Justification for support: Students will be representing CCSD Vocational Agriculture Programs through FFA sessions, Competition, Workshops, and attending one of the largest Career Fairs for HS Students. They will be helping with promoting NMFFA, CCSD, and various community service programs (Food for All, Living to Service: Environmental, Rural to Youth, Hunger Heroes, Farm to School, etc.). All through programs that are Common Core Based Curriculum and Standards.
