The itinerary must outline specific activities, with dates and times

- Local Field Trip**
Requires principal approval
- Extended Field Trip**
Requires Principal/Superintendent or Superintendent's Designee Approval
- Unique Field Trip**
Requires Principal/Superintendent's Designee/CCSD Board approval

Principal

I support the educational value of this trip and recommend approval by the Superintendent or Superintendent's Designee and the CCSD School Board.

Justification for support: Students will represent CCSD Vocational Agriculture Programs. Students will be COMPETING with other Senior High School Students from all over. Students will be learning about Tulsa Welding School, welding careers, scholarships, and working with others. Welding is Curriculum Based through Common Core Standards.

Weld-to-Win Tuition for School

TWS holds an annual High School Senior Welding Competition, looking for the best high school senior AG students in the country. This yearly event is a great way to showcase your welding skills and win tuition scholarships to attend Tulsa Welding School. Last year over \$245,000 in scholarships and prizes were awarded, so if you're considering a future in welding this is one event you won't want to miss.

The competition is open to High School Seniors who have taken a welding class in high school or at a vocational technical institute. The grand prize is a full tuition scholarship to Tulsa Welding School, with partial tuition scholarships going to the top runner-ups. There are other welding related prizes given out, as well as a \$500 tuition scholarship to Tulsa Welding School for everyone who participates.

Grand Prize: Full Tuition Scholarship to TWS.

Top Runner-Ups: Partial Tuition Scholarship to TWS.

\$500 Scholarships: To TWS for all participants.

Be A Winner: Other welding related prizes will be awarded.
