RE: FMP School Priority Rankings

Dear Martica Casias:

In light of new systems-based funding and review of our current School District Priorities listed in the Facilities Master Plan, we find it necessary to re-evaluate our top project priority list. We are moving #13 Kirtland Elementary School: Building Systems Upgrades to #3. All other projects will remain in their current queue but moving down one place.

Sincerely,

A handwritten signature in black ink that reads "Colleen W. Bowman".
