[www.HonorOurTeachers.com](http://www.HonorOurTeachers.com)

**Honor Our Teachers** is a community recognition site built to recognize teachers and promote community outreach. The district wanted to show our appreciation for our teachers and to recognize them for all of their hard work. It is the hope that this site helps to build Teacher Morale, which has been low with the current political environment related to Teacher Evaluations and High Stakes Testing. **Honor Our Teachers** website will create a platform for principals to recognize all the great things that our teachers are doing for students across the district.

After the principal fills out an **Honor Our Teachers** submission, an email with the information will automatically be sent to Milo McMinn. At that point Milo, will send the teacher a congratulatory email on their selection. The teacher will also be prompted with a URL to enter additional information. Teachers will be asked to fill out a short online form to provide more information about themselves as well as give them an opportunity to honor students in their own class.
